

CHIEFTAIN

*We, the fifth graduating class
of Osseo-Fairchild High School
proudly present the
1973 CHIEFTAIN.*

. . . and yesterday's gone

Memories—pressed between the pages of my mind.
Memories—sweetened through the ages just like wine.
Quiet thoughts come tumbling down
And settle softly to the ground
like golden autumn leaves around my feet.
I touch them and they burst apart
in sweet memories.

While leafing through the pages of the Chieftain you will encounter many past experiences, both academic and social. Your school personnel have attempted to make these experiences a profitable part of your past, for from them are the foundations on which you will build a future.

Therefore, gather your knowledge from the past and bring it with you as you strive for success in the future. For the structure is only as good as its foundation. If the foundation is weak, strive to improve it; if it is strong, strive to make it stronger.

As you leave your secondary education behind you keep these thoughts in mind and may you encounter future success.

Paul M. Pisani
Superintendent

I don't have to tell you what the future holds for you. You know that life has responsibilities as well as rewards, failures as well as success, tragedies as well as joys. You know that our nation offers splendid opportunity and faces great problems. The important question is what you hold for the future. I am confident that your special qualities of mind, heart and spirit, will contribute to building a strong, free, and just nation and a peaceful world. As you go forward, you take with you my best wishes and highest hopes.

John A. Leadholm
High School Principal

In order that people may be happy in their work, these three things are needed; they must be fit for it; they must not do too much of it; and they must have a sense of success in it. Not a doubtful sense, such as needs some testimony of other people for its confirmation, but a sure sense, or rather knowledge, that so much work has been done well, and fruitfully done, whatever the world may say or think about it.

I wish the class of '73 all the success that is due them, and I hope their work will be done well and fruitfully and that the world will long remember them.

Library Club

The Library Club held meetings the first Monday of each month. The officers held special meetings to plan their agenda.

Tray favors, shelf reading, and a talk by Maria Johnson, our foreign exchange student, made up some of our projects. As in previous years, a trip to the Twin Cities was taken in April.

Our biggest event was the sponsoring of the Northwest Wisconsin Student Librarians Organization conference. Workshops, speakers, and a business meeting composed the agenda for the day.

Foreign Exchange

Officers, members of the Educational Services Association, teachers, and my dear fellow students. It has been a pleasure being with you as an exchange student. So many people have longed for this opportunity, but they haven't had the chance. I've had a lot of experiences in Fairchild and Osseo.

You all have a special place in my life that is the holder of friendship that will last forever, and I hope I've brought you a better understanding of Liberia and its people.

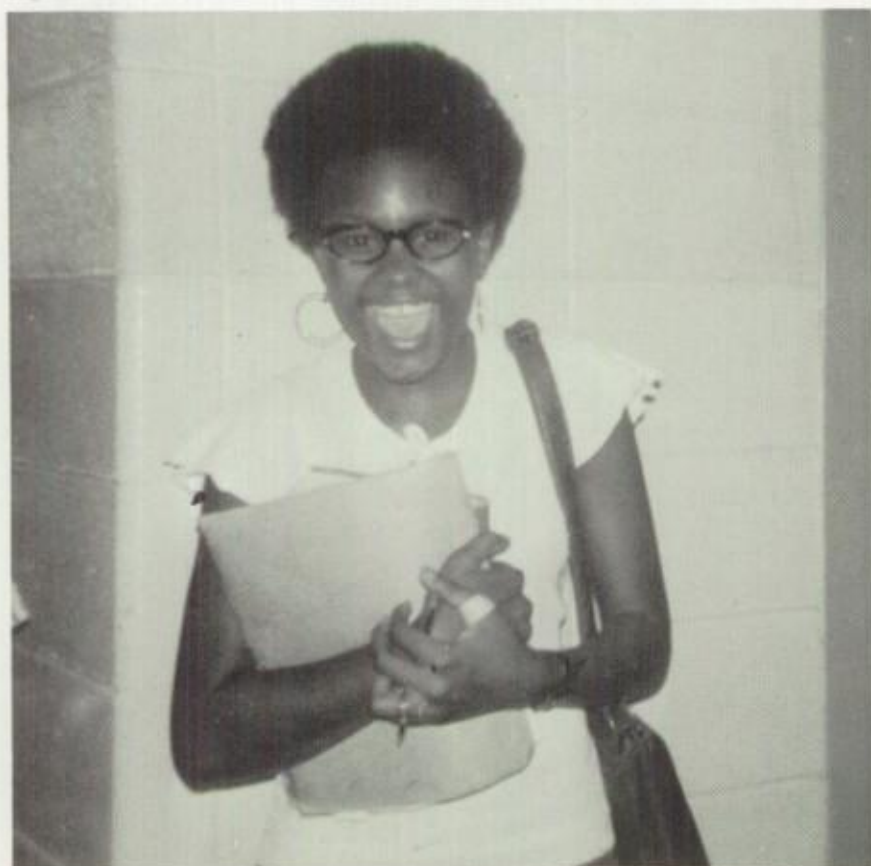

Many thanks to the kids and people I got acquainted with for making my stay pleasant. Even though distance will separate us, love will still abide. Although I'll be far off, thoughts of you shall still linger in my mind.

Not forgetting a very special thanks to my host families; Mr. and Mrs. Louis Duge, and Mr. and Mrs. Harold Laufenberg.

"Luv"

Maria

"Who said that the club got all the money ???"

The purpose of the Lettermen's Club is to raise funds which are used by athletic department. The pop machine was the main source of income, and following the New Year a candy machine was added. Last fall a candy sale was sponsored in order to raise the yearly income. The money was used throughout the year to paint the center circle and the free-throw lanes in the gymnasium. A new recorder was added to the video taping system.

Members of this year's club were: Mark Johnson, Eric Goplin, Chuck Thompson, Don Young, Jerome Mattison, Mike Mulhern, Tom Pettis, Jon Johnson, Brad Indrebo, Roger Rongstad, Butch Olson, Jeff Severson, Jeff Kutchera, Rod Anderson, Jim Schef-fer, Mike Miske, Doug Behm, Wayne Compeau, Orlin Fremstad, Al Lundberg, Greg Fedie, Harvey Sedahl, Greg Eisberner, Paul Thompson, Paul Vold, Gordy Douglas, Chris Olson, Jeff Smith, Arnie Benson, Mark Cochran, Roland Fischer, Scott Muenkel, Larry Moen, Pete Oftedahl, Ralph Myhre, Jeff Johnson, Randy Seiler, and Brad Garber. Advisor: Mr. Matye.

The Osseo-Fairchild Chieftains finished the 1972 season with a (3-4) conference and a (3-6) total record. The Chiefs finished 4th in the Dairyland conference race. After dropping the first five games of the season in close games, the Chieftains finally got on the winning track to beat Blair (6-0), Alma (14-6), and Eleva-Strum (7-6) on successive weekends. The only bad conference game the Chiefs played all year was a (51-0) loss to Augusta in the season final.

The one thing that could probably sum up the Chiefs season this year was experience or lack of it in the key positions. There were just too many first year players who didn't have the experience in the finer points of the game. Hopefully the pendulum will start to swing back the other way as the lower classes in high school have more numbers competing in football and, therefore, should gain the necessary experience.

It was the beginning of the 1972 football season, and due to rugged pre-season training, the players had high hopes for a good year. Their great expectations were destroyed after dropping the first game to Neillsville. After five close defeats and a lot of hard practice, the team came up with their first victory - a 6-0 trouncing of Blair. The following week was homecoming, which inspired the Chiefs to demolish Alma 14-6. The squad stayed on the winning track with a third consecutive victory, trampling Eleva-Strum 7-6. In rain and mud the Chiefs fought purple people-eaters, only to lose a close one to Augusta, 51-0 - in the season finale.

The team finished out the year with a 3-4 conference and a 3-6 overall record.

The Seniors would like to thank Mr. Matye, fellow-teammates, and fans for making it an enjoyable, if not successful, season.

Basketball at O-F this past season was quite satisfying to coaches, players, and spectators. The Chiefs rolled up an impressive 15-5 record, finishing second in the conference to Blair. Defense was the key to the Chieftains' success. Jeff Johnson and Jeff Kutchera, co-captains for the year, were the leading players. The Chiefs held their opponents to an average of 55 points per game, which is the best record Coach Mulhern has had since arriving at O-F. The team had a few letdowns during the season. At the Eleva-Strum Regional, they were defeated by a mighty Fall Creek team, which eliminated them from the championship bracket. All in all, the 1972-73 season at Osseo-Fairchild was successful.

The 1972-73 Wrestling squad found the competition very tough. However, their competitive spirit produced a 4-10 record. Roland Fischer led teammates with inspired performances. Seniors Mark Cochran, Don Young, and Tom Pettis added support along with the underclassmen. The youth of the team offers a hopeful future with top prospects being Wayne Compeau, Jeff Smith, Steve Tompkins, Cary Hagen, Paul Keffer, Tom Leasum, and Scott Swett.

GOLF 1973

The Chieftains golf season wasn't as good as it has been in the past, but overall it wasn't that bad. The season ended with a record of 24-18-1. Trying the sixth straight year for the conference bid ended up short three strokes off Whitehall, therefore, taking seconds in the Dairyland Conference. The Regional was held this year at our home course with a field of ten schools, ours taking fifth. Letter winners this year were Jeff Johnson, Butch Olson, Peter Oftedahl, David Johnson and Lennie Nyen.

The outlook for the 1973 Chieftains' baseball season is bright. With five returning lettermen and a host of new players, who seem anxious to improve on last year's record. There has been a change in the head coaching position this year. Mr. Warren Dahl will be the new head coach. Coach Dahl is new at the job but he feels that the Chiefs should have a quite successful season.

L. TO R. : B. Garber, R. Cuddy, C. Indrebo, M. Cochran, D. Fletcher, R. Fischer, A. Benson, M. Fischer, S. Muenkel, R. Lien, J. Smith, Coach Smith.

The 1972 Harriers were a very proud unit, finishing with a respectable 25-win and 9-loss season, earning a second straight Sectional birth with a 3rd place finish in the regionals held at Mondovi. The team faced a wide spectrum of competition, including early finishers in State competition.

The most outstanding characteristic of this year's squad was its maturity and consistency. Richard Cuddy, a junior, often led the way with Roland Fischer, Brad Garber, and Mark Cochran following stride for stride. Mike Fischer, Arnie Benson, and Craig Indrebo often scored for the Chieftains. Scott Muenkel, Dale Fletcher and Rod Lien offered supporting roles in this the Chieftains' best year. Approximately 300 miles of competitive running was totaled over the season.

The most outstanding individual performance was tallied by Richard Cuddy with a 2nd place win in the Loyal Invitational.

Fieldmen

Osseo-Fairchild Chieftains finished the track season with a (2-4) season record in dual meets. They finished 6th in the Regional, 5th in the Old Abe Invitational, 3rd in the Trempealeau County Meet and 2nd in the Conference Meet. Several outstanding performers recorded new records this past season. Craig Indrebo jumped 5'10" in the high jump to tie the school record, Rich Cuddy set a new school record in the two mile run with a time of 10:30.8. The two mile relay team consisting of Larry Moen, Mike Mulhern, Rich Cuddy, and Brad Garber took a first at the Red Raider Relays in LaCrosse in a time of 8:44.3. This is 10 seconds off the class C record. Thirty boys competed for the Chiefs for the season, and twenty-five of these boys earned their letters.
